Mississippi Interactive	Deanna Gronlie
Mississippi Interactive	Dana Rowzee
The Clay Firm	Karen Newman

Mr. Craig Orgeron called the meeting to order.

Mr. Craig Orgeron called for a motion to approve the minutes of the October 21, 2013 meeting if no changes were needed. Ms. Jennifer Wentworth made the motion to accept the minutes, it was seconded by Ms. Andria Matrick, and the motion passed with none opposed.

Ms. Deanna Gronlie reviewed the Portal Highlights and Current Projects portion of the EOC Report. Some highlights included the launch of the license renewal application for professional geologists, launch of the EPL Registration application, and notification that Ms.gov won Gold in the 2013 MarCom Awards. MSI is in the process of preparing the annual report for 2013. The Board discussed the need to produce a high level report that could be used for briefings during the upcoming Legislative session. Ms. Gronlie will prepare a report as part of the annual reporting and provide value information by the end of December. There were no new projects in the agency queue to approve.

In an earlier meeting, the Board requested that MSI provide overviews of other projects that might benefit Mississippi. Ms. Dana Rowzee presented an overview of mobile inspection services that have been implemented successfully in Alabama.

The next meeting will be held on January 21, 2014, at 1:30 p.m. in the ITS Board Room.
